# BEDHEAD FOOTBALL CLUB

We have had a good start to the new season, with all 20 teams starting and developing well. Stand out team so far are our U12 Sunday group in the Surrey youth league, played 8 league games, won 8 scored 70 goals and conceded 4.

Our Elite Academy started in September we have 4 groups U7/8, 9/10, 11/12 and U13/14 and this group have excelled and it's been great to watch their development in such a short space of time.

Lastly our new Technical session started and got off to a slow start. We have made the decision to move it from Sunday morning, to a Friday evening and already the sign ups have doubled from last term and we are pushing it to continue to rise as its a unique session and really helps players technique.

We now get a break to recharge our batteries and back ready to push forward with everything in 2020.

Congratulations to Jordi Sada Paz from our U14's who last month signed for Crystal Palace. Jordi has been a BedHead player since the age of 6, so we are very proud of him and wish him all the best in his football journey.

*"Jordi has been with Bedhead FC since he was 6 years old, hence we are very grateful for the top class coaching that he has received throughout the years to help him continue to develop as a football player" - Jordi's Dad*

*"I have been very happy at Bedhead and have made great friendships with my teammates that will last a lifetime" - Jordi*

# GUY MASCOLO FOOTBALL CHARITY

# THE CHARITY

We have had a great start to our On the Ball programme, 35 participants aged 16 - 21 are registered to take part in our weekly football sessions.

Ourselves, Cre8 Football, Fulham FC, Crystal Palace FC and RC Lens (London) will participate in this fantastic initiative - The MA Cup.

We are in close relation with Michail Antonio, IMG Media Company, Academy Conditioning and Enable LC to offer the opportunity for our young people to gain life-long experiences and skills.

The Coaching Pathway has been devised for those participants that are interested in Football Coaching, they receive guidance and support with their coaching. This could lead onto gaining coaching qualifications and possible employment.

The London Child Poverty Summit is an event which we were invited to this year, RADA done a short performance based on the views / opinions of Guy Mascolo Football Charity participants and their lifestyles.
